2024/04/28 21:01 1/1 Introduction to Routing

## Introduction to Routing

- Date: 3rd to 7th August 2019
- Venue: Holiday Inn Kolkata, Biswa Bangla Sarani, Near City Centre 2, Dash Drone, Newtown, Kolkata, West Bengal 700136, India

## **Workshop Goals**

This five-day Introduction to Routing Workshop is a technical workshop, made up of lecture and hands-on lab work to teach the IPv4 & IPv6 Routing skills required for the configuration and operation of large scale networks that make up the Internet.

## **Target Audience**

Technical staff who are now building or operating a wide area service provider network with international and/or multi-provider connectivity, or considering participation at an Internet Exchange point, or considering deploying IPv6 across their infrastructure and to their end users.
